Worship Through Giving

During the pandemic, when it was necessary for churches to make adjustments to their regular patterns, many churches stopped passing offering plates and made ways for people to give through other means. Churches were creative and that was fantastic! However, a byproduct of that season is that many churches have removed a dedicated time to worship through giving in their Sunday services. I believe that needs to be corrected.

Worship is more than songs and sermons—it's surrender. We have the great opportunity to place all we are and all we have at the altar of our Lord and Savior. Weekly worship services offer a chance for a regular, unhurried time for tithes and offerings that

makes surrender tangible. Worship through giving teaches our hearts that money is not our master, and that God's mission matters in our community and around the world. When we give our "first-fruits," we're not tipping the church for a good service, we're worshiping and trusting in God. Giving is a regular practice throughout the Bible and must be a regular practice for God's people today. I am praying that our churches are places where we celebrate full surrender to Jesus in every way.

Honor the LORD with your wealth, with the first-fruits of all your crops. Proverbs 3:9

Each of you should give what you have decided in your heart to give... for God loves a cheerful giver.
2 Corinthians 9:7
